In the G.Os. mentioned in the margin* the Government sanctioned the grant of certain concessions to candidates appointed as temporary Civil Assistant Surgeons, Class II in this department and this sanction was continued in the G.O. referred to above upto the end of September 1948 or till regular appointments of Civil Assistant Surgeons, Class II are made, whichever is earlier.

The Public Service Commission has recruited 98 war-service doctors for regular appointment as Civil Assistant Surgeons, Class II in the Madras Medical Subordinate Service. Of these 16 did not join duty as they are undergoing the M.B.B.S., courseat Madras and at the Lake Medical College, Calcutta. Of the war service candidates who have joined duty 10 have been subsequently releived for undergoing M.B.B.S course. In order to fill up the above vacancies and the vanancies which have occurred subsequently, all non-warservice candidates who have been employed as temporary Civil Assistant Surgeons Class II in the department have been retained and are still continuing in service. Further the ~~Civil~~ Service Commission has not yet completed the recruitment of Civil Assistant Surgeons, Class II for the de-reserved vacancies. In order to fill up the existing vacancies, arrangements are being made to recruit qualified candidates as temporary Civil Assistant Surgeons, Class II. In view of the above circumstances, it is necessary to continue the concessions sanctioned in the G.Os. mentioned in the margin for a further period upto 31-3-49. I therefore, request that necessary sanction may kindly be accorded for the continuance of the concessions from 1-10-48 to 31-3-49.

Yours faithfully,

for Surgeon-General with the
Government of Madras.
